Paula, here are two other docs--partial Q and As and a background paper; maybe Shaun could be prepared to speak to the other mine cleanups in Utah and Colorado, if appropriate in the meeting. I'll forward you an email from Chris Ruhl with the rest of the Q and As that you can add to these.

Subject: Responses to Anthony Edwards' Questions 6-18

All – Attached are the draft comments in response to Anthony Edwards' question 6-18 presented on behalf of San Juan County. The Remedial Program's understanding is that "Chris/David" are responding to questions 1-5 for the Removal Program.

Attached to the Q/As is a summary of some of the successful SF cleanups in Region 8 (prepared by Bill Murray for the Talking Points) that I've included because I thought it would help support our answer to question 13.
